

WEST SIDE LITTLE LEAGUE WEST CHESTER, PA LEAGUE ID 238-28-12

Appendix A – General Web Site Release Notification

Photographs on the Web

West Side Little League uses a website to update the membership on league activities throughout the season. From time to time a league representative may take photographs to use on our web pages. We will be featuring opening day ceremonies, game, tournament or daily baseball activities on these web pages, which may include photographs of players. The site can be found at www.westsidelittleleague.org.

Photographs of all West Side Little League participants featured on the website will be in groups of at least three individuals. We identify players in photographs on the website by first name and last initial only, except where the name(s) might reasonably be expected to be published by the local media (recognition, awards, competition results, etc.)

You may decline permission for your child's to appear in photographs which may be shown on the West Side Little League website. To do so, you must complete a **No Photographs on the Web** form and submit a current, wallet-size photograph of your child to the player agent, with name and contact information clearly printed on the back of the photograph. Forms will not be accepted without an accompanying photograph.

In the event of multiple players from any given family, an individual form must be submitted for each player. As player appearance can change significantly between seasons, new form and photo must be submitted each year.

Please fill out and return the attached permission form to Player Agent, David Byerley, at the 2008 registration.
